RNL ADDS NEW STAFF IN DENVER

Denver, Colorado, January 16, 2007 – RNL is pleased to announce the following additions to its Denver office. **Jonathan Bell** joined the firm as architectural intern and model shop coordinator. Bell received a master's degree in architecture from the University of Colorado at Denver. **Kevin Blithe** joined the firm as architectural intern. Blithe also received a master's degree in architecture from CU-Denver and recently returned to Colorado after several years on the east coast. He is working on a high-rise office project at 18th and Larimer. **Stewart Foster** joins RNL as CAD draftsman. **Nathan Gaffrey**, PE, joins the engineering studio as mechanical engineer. Gaffrey comes to RNL from MKK Consulting Engineers and has more than five years experience, primarily in multi-family residential projects. **Everardo Goyanes** joins as architectural intern. Another graduate of the master's program in architecture at CU-Denver, Goyanes comes to RNL from SlaterPaull and is working on Grace Church in Illinois. **Phil Pleiss** joins RNL as CAD draftsman in the engineering studio. **Jason Selken** PE, LEED AP, joins the engineering studio as mechanical engineer. Selken comes to RNL from BCER and has more than six years of experience in mechanical engineering, specializing in laboratory and education projects. **Jennifer Toll** joins the architecture studio as senior project architect. Toll comes to RNL from AndersonMasonDale Architects and has more than 13 years of experience, specializing in laboratory and science projects.

RNL is an integrated full service architectural firm with offices in Denver, Los Angeles and Phoenix, serving clients locally, nationally and internationally. Celebrating its 50th year, RNL continues providing inspired and innovative design solutions to clients. RNL offers clients a continuum of design services, including architecture, interior design, landscape architecture, urban design and planning, and engineering.
