

FOR IMMEDIATE RELEASE

## **RNL WELCOMES SEVERAL NEW ADDITIONS TO THE DENVER OFFICE**

Denver, Colorado, February 21, 2005 –Merlin Maley, Associate AIA, ASLA, joins RNL Design as Architectural Intern. Maley comes to RNL from JG Johnson Architects, where he gained extensive experience with multi-family projects. Maley will be part of the design team working on Prospect Place, a 350,000 square foot residential and mixed-use development. Ryan Meador joins RNL Design as Mechanical Engineer. Meador is a graduate of the University of Wyoming, where he completed a Bachelor's degree in Architectural Engineering. Kevin Morikawa has joined RNL as a full-time electrical engineer. Kevin previously worked as an Engineering Intern at RNL while completing his Architectural Engineering degree from the University of Colorado at Boulder.

The firm also announces the promotion of several staff members. Shel Barry, Jennifer Carpenter, Lisa Hemmeter, Aaron Kelly, Brian Milnick, Barry Newton, and Theresa Williams were promoted to Associate. Debra Rinde and Lissy Ziesing were promoted to Senior Associate. Philip Macey was promoted to Director of Science and Technology Projects and Senior Associate. Ed Carfagno and Carl Hole were promoted to Associate Principal.

RNL Design is an integrated full service architectural firm with offices in Denver, Los Angeles and Phoenix, serving clients locally, nationally and internationally. Since its inception in 1956, RNL has built its practice providing innovative design solutions to clients, surpassing their expectations and bringing ideas to life. RNL offers clients a continuum of design services, including architecture, interior design, landscape architecture, urban design and planning, and engineering.
