RNL PROMOTES STAFF IN PHOENIX, OFFICE CONTINUES TO GROW

Denver, Colorado, March 6, 2007 – RNL is pleased to announce that **Larry Allen, AIA**, was promoted to principal. Allen has been with RNL for six years. Allen has been instrumental in the Phoenix office's growth, which has seen a 245% increase in revenue since 2002. The Phoenix office's revenues totaled more than \$2,500,000 in 2006, and are projected to reach \$3,000,000 in 2007. The Phoenix office opened in 1998 and has grown from seven employees in 2002 to 22 employees today.

Additional promotions in the Phoenix office include **Ken Anderson, AIA, LEED AP**, who was promoted to senior associate, and **Chris Ledwith, AIA, LEED AP**, who was promoted to associate. Current projects in the office include design for the Glendale Community College North Campus Expansion and the East Valley Bus Maintenance Facility in Tempe, which is pursuing Leadership in Energy and Environmental Design certification at the gold and silver levels from the U.S. Green Building Council.

RNL is an integrated full service architectural firm with offices in Phoenix, Denver, and Los Angeles, serving clients locally, nationally and internationally. Celebrating its 50th year, RNL continues providing inspired and innovative design solutions to clients. RNL offers clients a continuum of design services, including architecture, interior design, landscape architecture, urban design and planning, and engineering. For more information about RNL or employment opportunities, please visit www.rnldesign.com.
