## **RNL Promotes Andrew Irvine, Marc Stutzman to Principal, Tom Hootman to Associate Principal, Announces Nine Additional Promotions**

Denver, Colo., March 29, 2011 – **RNL** announces that **Andrew Irvine, AAILA, LEED AP**, Urban Design Market lead, and **Marc Stutzman, ASLA, RLA, LEED AP**, Urban Design Landscape Architecture (UDLA) Studio lead, have been promoted to principal. **Tom Hootman, AIA, LEED AP BD+C**, director of sustainability for RNL, was promoted to associate principal. **Steve Breitzka, RLA, LEED AP, Bradford Bull, AIA, LEED AP BD+C**, and **Rachel Petro, IESNA, Associate IALD, LC, LEED AP**, have been promoted to senior associate. **Fritz Gale, AIA, LEED AP, CDT, Merina Irfano, Henry Leung, RA, Sarah McGarry, IIDA, LEED AP, Brian Nicholson, LEED AP BD+C** and **Tom Wiener** were named associates.

**Andrew Irvine, AAILA, LEED AP**, principal, has more than 25 years of experience in the urban design and landscape architecture industry. His body of work spans the globe, including projects in Asia, Australia, Africa and the United States. Irvine's hands-on professionalism, creativity and communication skills allow him to consistently deliver high quality projects while achieving superior client satisfaction.

**Marc Stutzman, ASLA, RLA, LEED AP**, principal, has more than 20 years of experience as a landscape architect. As director of the UDLA studio at RNL, he provides leadership by mentoring staff and managing design teams. Stutzman's project experience includes managing a wide variety of project types from around the world including streetscapes, parks, urban plazas, mixed-used developments, university and research campuses, resorts, and new communities of all scales. Currently, he is Chair-Elect of the Executive Committee and Board Member for Adams County Economic Development and is active in promoting economic development throughout the region.

**Tom Hootman, AIA, LEED AP**, associate principal, is director of sustainability for RNL providing leadership and guidance across the firm to sustainable project work, design standards, staff education, research and outreach. Hootman is Past Chair of the Board of the U.S. Green Building Council (USGBC) Colorado Chapter and chair of the USGBC Colorado Commercial Real Estate Initiative in addition to serving on the USGBC's West Regional Council. He is an active leader in the building industry promoting green building practices and regularly writes and speaks on sustainable design issues at the local, national and international level.

**RNL** is a global, full-service design firm specializing in sustainable, integrated design. Founded in 1956, **RNL** offers a continuum of design services, including architecture, interior design, landscape architecture, urban design and planning. **RNL** is headquartered in Denver and has additional offices in Phoenix, Los Angeles and Abu Dhabi, United Arab Emirates.
