RNL DESIGN WELCOMES SEVERAL NEW ADDITIONS TO THE DENVER OFFICE

Denver, Colorado, June 30, 2005 – **Bruce Birch** joins RNL as Senior Project Manager. Bruce has more than 27 years of experience in architecture. Bruce's responsibilities include managing the Susan M. Duncan Family YMCA renovation project in Arvada. **Danny Darr** joins RNL as Project Architect. Danny, a registered architect in Colorado, has worked on several public sector projects in Denver and previously operated his own residential design practice. Danny is Project Architect on the Prospect Place Lofts project. **Julie Evans** returns to RNL as Landscape Architect. Julie is working on several of RNL's international master planning projects located in the Middle East. **George Feathers** joins RNL as Senior Project Architect. George is a registered architect in Arizona and Colorado and has also passed the Certified Construction Contract Administrator exam. George brings more than 21 years of broad range experience to RNL and is currently working on a major mixed-use high-rise development in downtown Denver. **Adam Fitzgerald** joins RNL as Senior Project Architect. Adam brings more than 15 years of experience to RNL and is a registered architect in Colorado, Michigan and Minnesota. Adam is working on the Commerce City Civic Center project. **Erin Sink** has joined RNL as Architectural Intern. Having recently graduated from the University of Colorado with a Master's Degree in Architecture, Erin has more than four years of architectural experience. She is currently working on High Desert Children's Ministry. **Tom Wiener** joins RNL as Architectural Intern. Tom is a recent graduate of North Dakota State University and is working on several projects.

RNL Design is an integrated full service architectural firm with offices in Denver, Los Angeles and Phoenix, serving clients locally, nationally and internationally. Since its inception in 1956, RNL has built its practice providing innovative design solutions to clients, surpassing their expectations and bringing ideas to life. RNL offers clients a continuum of design services, including architecture, interior design, landscape architecture, urban design and planning, and engineering.
