## **RNL CONTINUES STRONG GROWTH - ADDS NEW STAFF**

Denver, Colorado, February 3, 2006 – RNL announces the following staff additions in its Denver office: **Maria Bozeman** joins RNL as project manager. Bozeman has a master's degree in project management from the University of Colorado at Boulder and will be assisting the urban design and landscape studio with its projects. **Lauren Brown** joins RNL's graphics department. **Fritz Gale** joins RNL as project coordinator. Gale's strong background in large commercial projects transfers to his responsibilities with RNL's international projects. **Marc Herndon, NCIDQ**, joins RNL's interiors studio as a project designer. Herndon brings more than seven year's experience in corporate, hospitality, residential, and institutional interiors. He is an Allied member of the American Society of Interior Designers and is currently working on projects for Kaiser Permanente and Exclusive Resorts. **Matt Howell** joins RNL as architectural intern. Howell's responsibilities in the architecture studio are focused on mixed-use–residential projects. **Michael Lent** joins RNL as project architect. Lent brings more than 30 years experience in laboratories, institutional, residential, commercial and religious projects to RNL. Lent's projects include the HUE Lofts high-rise condominium development Las Vegas. **Paul Ruffini, LEED AP** joins RNL as mechanical engineer. Ruffini brings an expertise in mixed-use/residential mechanical systems to RNL. He is currently working on the Commerce City Civic Center, a LEED Silver targeted project. **Erin Strande** joins RNL as human resources assistant. **Jessica Voigt** joins RNL as project designer. Voigt has a master's degree in architecture from Savannah College of Art and Design and a bachelor's degree in environmental design from the University of Colorado. She is currently working on a major project in Dubai as well as a large mixed-use residential complex in downtown Denver. **Mike Zelman, PE** returns to RNL as senior mechanical engineer. Zelman brings a background in HVAC and plumbing design from commercial spaces to complex high-rise offices and prison projects. He is currently working on the Commerce City, H.U.E. Lofts, and Golden Public Works projects.

In other staffing news, **Ashwin Bhavikatti**, **Bob Beblavi**, and **Merlin Maley** passed the Leadership in Energy and Environmental Design exams and are now LEED Accredited Professionals. **Ron Izzo** passed his architectural exams and was promoted to senior project designer.
