RNL ADDS NEW STAFF IN DENVER

Denver, Colorado, July 10, 2007 – RNL is pleased to announce the following additions to its Denver office:

Nick Johnson joins RNL as a full time design draftsman and CAD operator. Johnson received his associate's degree in design drafting from Red Rocks Community College and has done architecture coursework at the University of Colorado. He previously worked with Martin/Martin Consulting Engineers and with Flatirons Surveying & Engineering. **Xinkuang Liao** joins RNL as urban designer. Liao received her master's degree in urban design from the University of Michigan and received her bachelor's degree in architecture from Tsinghua University. She previously worked with Smith Group in Chicago and with A.D. Urban Ecology Institute of Tsinghua University. **Sarah McGarry**, IIDA joins RNL as interior designer. McGarry comes to the firm from Hixson Architecture in Cincinnati. She received her bachelor's degree in interior design from Miami University. **Bill Renz, Jr.** joins the firm as project coordinator with the architecture studio. Renz comes to RNL from Austin AECOM. He received his master's degree in architecture from the Georgia Institute of Technology and received his bachelor's degree in construction technology from Murray State University. Renz is currently working on One Steamboat Place. **Michelle Richter** joins the firm as interior designer. Richter previously worked with Scheels Home and Hardware in Fargo, Denise Drake Interior Design in Fargo, and Perlman Architects of Arizona in Scottsdale. She received her bachelor's degree in interior design from North Dakota State University. **Mark Schlanser** joins RNL as architectural intern. Schlanser comes to the firm from Helenske Design Group in Fargo. He received his master's degree in architecture from North Dakota State University.

RNL is an integrated full service architectural firm with offices in Denver, Los Angeles and Phoenix, serving clients locally, nationally and internationally. Celebrating its 50th year, RNL continues providing inspired and innovative design solutions to clients. RNL offers clients a continuum of design services, including architecture,

interior design, landscape architecture, urban design and planning, and engineering. For more information about RNL or employment opportunities, please visit www.rnldesign.com.
