LARRY ALLEN PROMOTED TO ASSOCIATE PRINCIPAL

PHOENIX, AZ -- RNL Design announced the promotion of **Larry Allen, AIA** to **Associate Principal**. The promotion was made in recognition of his outstanding client service, project management, contribution to the RNL organization and community participation.

As Director of the day-to-day operations of the Phoenix office, Allen brings over thirty years of experience in all phases of architectural practice including space planning, design, construction documents, construction phase services and project management. His extensive background from projects that range from transit-oriented and mixed-use development to higher education and hotel facilities, provides the basis for his ability to successfully produce large complex projects for a variety of clients. He also has a unique aptitude for forming cohesive teams with his strong skills in team leadership and communication. Allen's current projects include **Northern Arizona University School of Communications Remodel and Addition, Sky Harbor International Airport Rental Car Center Bus Maintenance Facility** and **East Valley Bus Operations and Maintenance Facility**.

RNL Design is an integrated, full service architectural firm with offices in Phoenix, Denver and Los Angeles, serving clients locally, nationally and internationally. Since its inception in 1956, RNL has built its practice providing innovative design solutions to clients, exceeding their needs and bringing ideas to life. RNL offers clients around the world a continuum of design services, including architecture, interior design, facility programs, feasibility studies, urban design and planning, landscape architecture and engineering. Testimony to RNL Design's success are the many partnerships with clients spanning several decades and many prestigious awards. For more information, visit www.rnldesign.com.
