## **RNL WELCOMES SEVERAL ADDITIONS TO THE DENVER OFFICE**

**DENVER, CO** -- RNL Design welcomes four new employees to the Denver office:

**Ryan Dawson**, intern architect, a recent graduate of Texas Tech University with a Masters in Architecture and Business Administration, Dawson joins RNL possessing a full spectrum of computer design, illustration and presentation skills.

**Miranda Karli**, intern architect, a graduate of the University of Colorado at Denver with a Master of Architecture degree, Karli joins the firm having completed her undergraduate studies in Jakarta, Indonesia. She has over three years of architectural experience, including schematic design, design development and construction documentation.

**Brian Milnick**, project architect, comes to RNL with more than ten years of architectural and graphic design experience for a wide variety of project types including an emphasis on higher education and K-12 facilities.

**J.W. Barrett Newton**, project architect, joins RNL having more than eight years of architectural experience on a variety of project types including commercial, medical, criminal justice, institutional and government facilities.

RNL Design is an integrated, full service architectural firm with offices in Denver, Phoenix and Los Angeles, serving clients locally, nationally and internationally. Since its inception in 1956, RNL has built its practice providing innovative design solutions to clients, exceeding their needs and bringing ideas to life. RNL offers clients around the world a continuum of design services, including architecture, interior design, facility programs, feasibility studies, urban design and planning, landscape architecture and engineering. Testimony to RNL Design's success are the many partnerships with clients spanning several decades and many prestigious awards.
